Product Description

Product Description:

Our tomato juice is not just any ordinary tomato liquid - it is packed with essential nutrients that your body needs to stay healthy and strong. With just 6mg of sodium per 100ml and 0g of fat and protein per 100ml, our tomato juice is a guilt-free way to quench your thirst and satisfy your taste buds.

Each 100ml serving of our tomato juice contains 220 KJ of energy, providing you with the fuel you need to power through your day. Plus, our tomato juice provides 3% of your daily nutrient reference value for energy, helping you meet your daily nutritional goals.

Our tomato juice is versatile and can be used in a variety of ways. You can enjoy it on its own as a refreshing drink, or you can use it as a base for soups, stews, and sauces. Our tomato juice is also a great alternative to tomato sauce in recipes that call for it.

At our company, we are committed to providing our customers with high-quality products that are both delicious and nutritious. Our tomato fruit juice is no exception. Made from only the freshest, most flavorful tomatoes, our tomato juice is a delicious way to add more vegetables to your diet.

Applications:

The product is made from fresh and ripe tomatoes that are carefully selected and blended to create a delicious Tomato Stir Juice.

ARKHUM Tomato Fruit Juice is a versatile drink that can be consumed at any time of the day. It is ideal for breakfast, lunch, or dinner, and can be enjoyed alone or with a meal.

The product is available in a variety of sizes, making it perfect for different consumption occasions. The small sizes are perfect for on-the-go situations, while the larger sizes are ideal for family gatherings and parties.

The ARKHUM Tomato Fruit Juice is also perfect for individuals who want to maintain a healthy lifestyle. The product has a low sodium content of 6mg per 100ml and is fat-free, making it suitable for individuals who are watching their weight or have dietary restrictions. The juice provides 220 KJ of energy per 100ml, which is 3% of the recommended daily value of energy.

The product is also perfect for individuals who want to explore new and exciting flavors. The Tomato Honey variant of the ARKHUM Tomato Fruit Juice is perfect for those who want a sweet and tangy taste. This variant is made from natural honey and ripe tomatoes, giving it a unique and delicious flavor.

The ARKHUM Tomato Fruit Juice is perfect for individuals who want to enjoy the benefits of natural tomato juice. The product contains 12.4g of carbohydrates per 100ml, making it perfect for individuals who need a quick energy boost. The juice is also rich in essential vitamins and minerals that are beneficial for overall health.

In conclusion, the ARKHUM Tomato Fruit Juice is a versatile and nutritious drink that is perfect for any occasion. Whether you want to enjoy a refreshing drink on a hot summer day or need an energy boost to get through the day, the ARKHUM Tomato Fruit Juice is the perfect choice. So, go ahead and indulge in the delicious taste of natural tomato juice with ARKHUM.
